

Speth

The image features a highly decorative, black-and-white calligraphic logo. The word "Speth" is rendered in a classic Gothic or blackletter font. The initial letter 'S' is significantly larger and more ornate than the following letters. It is filled with intricate, swirling flourishes and scrollwork. A dragonfly is integrated into the design, positioned as if it is flying through the lower loop of the 'S'. The entire logo is set against a plain white background.
